Feb 16, 2026

Dear Sir/ Madam,

La Sallian Greetings of Peace!

Every school year, our child's journey is made even more memorable through events where they can have fun and bond with their classmates, friends, parents. These events help form lasting bonds and memories which these kids can bring with them as they grow older. Music and film remain to be a significant factor that influences teens their age. This was evident during AnimoSix in 2024 wherein we had a concert to cap off their grade school experience This time, aside from Music and Film, these kids are also in a stage where they start building foundation of friendship that they will bring with them as they grow up. With their generation being geared towards the digital age, this will be an afternoon of bonding with parents and friends through a movie marathon, food trucks/carts, and a barbecue/cook-out capped off with a bonfire – **SUNSET SCREENINGS, Grill and Chill – The Grade 8 Summer Fair!**

The event will be happening on **March 28, 2026, Saturday** at the **LSGH Field from 4pm to 10pm**. It is a late afternoon to evening affair that will be attended by 350 Grade 8 pupils, including their friends and families. We are expecting more than a thousand attendees including family members, faculty and staff.

In this light, we would like to invite you to be part of this event by being one of our esteemed sponsors. This will be a good avenue to showcase and create awareness for your Brand/Product.

Attached are our Sponsorship Packages and Agreement for your perusal. For more information please feel free to contact Anna 09052081703 or Mitch 09178218223 or send us an email through lsghwaysandmeans2030@gmail.com.

We look forward to having you as our event partner!

Thank you very much.

Anna Marie Gonzalez
